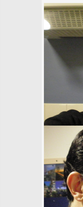
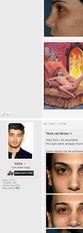
Hello from the Rich Implants
I'm looking for a 6'4 white guy/blond

[Image: eyeball-1.gif]

AFTER SURGICAL FAR IMPLANTS
BUT WHAT'S OUT THERE





This is just 1 surgery and he changed this much, imagine what if he would become if he fixed his uneven jaw and nose etc

nearly 99% of you on here are just visiting and making dumb threads seriously instead of trying to earn money and getting surgeries done.

His surgeon was Jonathan Keeling
